

## Boise Air Terminal / Gowen Field Pilot / Controller Forum

Do you have a clear understanding of the recent taxi instruction changes that are in effect concerning explicit runway crossing procedures?

You are cordially invited to attend the Pilot / Air Traffic Controller Forum on Monday, October 1st, at 7:00 pm. Anyone who operates at or is involved with the Airport is welcome.

**Directions:** The forum will be held in the Boise River Conference Room. From Interstate 84 take the airport exit. Turn on W Airport Way and park in the airport parking facility.

### A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
